

# SHUBHAM PATHAK

## WEB DESIGNER

Self-motivated Frontend Developer with around 2 years of experience designing, developing, and managing complex e-commerce sites and internal frameworks. Specializes in UI and responsive design.

## EXPERIENCE

2020 - 2022

Hawkscod Software Pvt Ltd

### Web Designer

#### EasyShiksha -

EasyShiksha is an Edtech platform for students to search, register, and get certificates for different courses from different educational institutes.

Worked on most of the design parts for banners and posters on the project.

#### Benslist -

Benslist is a UK-based e-commerce platform where both private and professional sellers list and sell items.

Communicated directly with the client to build and customize UI designs to meet the requirements

#### AutoBy24 -

Autoby24 is an online platform to list your old vehicles and sell them directly to the customer.

Worked on the UI designs for the project with a team member.
